All interagency or third-party agreements, memoranda of understanding (MOUs), data-sharing agreements, or purchase/lease agreements that permit sharing LPR data with other law enforcement agencies, private companies, analytics vendors, or third parties (including any written or electronic data access logs).

A map, spreadsheet, or list of current and past LPR locations within City limits (including pole/fixture locations, intersection names, GPS coordinates if available), plus dates each unit was installed/activated and any units removed or relocated.

Be clear and concise. Provide as much specific detail as possible, ideally including subject matter, time frame, and type of record or party names. Use additional sheets if necessary. RTKL requests should seek records, not ask questions. Requesters are not required to explain why the records are sought or the intended use of the records unless otherwise required by law.

RTKL requests may require payment or prepayment of fees. See the [Official RTKL Fee Schedule](#) for more details.

NOTE: In most cases, a completed RTKL request form is a public record. More information about the RTKL is available at <https://www.openrecords.pa.gov>

The request may be submitted in person, via e-mail, or by regular mail to:
